**For: Regional Directors and BARMM Education Minister

All Others Concerned**

**Subject: DISSEMINATION OF INFORMATION ON THE
CLIMATE CHANGE YOUTH SURVEY**

Anchored on a regional study on Enhancing Local Response to Child Protection in Climate Change Disasters in South East Asia, the United Nations Children's Emergency Fund (UNICEF), together with the International Federation of Red Cross (IFRC) and the Global Partnership to End Violence against Children, designed the Climate Change Youth Survey. This covers youth perceptions on climate-related disasters in the said region.

Further, this survey aims to examine and improve localized and coordinated responses to child protection as part of preparedness and response during climate change disasters in South East Asia. With this, young people (13 to 25 years old) living in this region are enjoined to participate in the online survey.

In this light, the Office of the Undersecretary for Administration (OJA) through the Bureau of Learner Support Services – Youth Formation Division (BLSS-YFD) requests all concerned to support the said campaign and disseminate all related information. The survey will be available until 06 June 2021.
